## Key Features:

- 3/4" thick dual-layered foam
- Top 1/2" layer, with 1/4" bottom layer
- Complies with the requirements of the FDA's food contact regulations

## Kits includes:

- 40"x 27" foam sheets with 1/2" top layer and 1/4" bottom layer in contrasting colors
- Contrasting colors create an easily identifiable shadow or tool placement
- Adhesive-backed grid sheet allows for easy tracing of tools
- Tools not included

## Color Combination (Top/Bottom)
