

STOPOUT®

Pry-Resistant Lock Box

Keep your group of employees safe from electrical hazards when they're performing service and/or maintenance. STOPOUT® Pry-Resistant Lock Box provides a portable lock/key control point during LOTO procedure. The design features a pry-resistant top with clear side panel windows providing visibility to the secured content.

Complies with the requirements for group lockout or tagout as set out in section 29 CFR 1910.147(f)(3).

- Made of durable, powder coated steel for extra rust-resistance
- Accommodates up to 20 padlocks up to 1/4" shackle diameter
- Inner pry guard prevents access to keys
- Two clear 2.5"H x 6"W octagon-shaped windows reinforce lockout status
- Four rubber pads on the bottom of lock box prevent slippage
- Large easy grab handle
- Lock/unlock latch
- Top key slot
- Dimensions: 4.75"H x 8"W x 4.625"D
- Weight: 2.43 lbs.
