

Tough-Mark™ floor marking strips and shapes are the toughest, most resilient floor marking products available on the market. You can depend on Accuform and the Tough-Mark™ brand to exceed your industrial floor marking expectations. We are so confident in the performance of our Tough-Mark™ strips and shapes; they are backed by a 1-year limited warranty.

APPLICATION:

- Apply only to clean dry floors: thoroughly wash, rinse, and allow to dry, completely
- Application surface should be uniform and free of cracks or ridges
- Ambient temperature should be above 50° F
- Peel back about 2 inches of the liner and start to set in place, once satisfied with the placement, continue to peel back the liner and set in place
- For maximum adhesion, use a tamper device with a minimum of 150-pound load. Tamp in the same direction that the strips were applied. Several passes should ensure adhesion to the surface
- Clean Tough-Mark™ strips and shapes with mild cleaning solutions
- Do not use commercial strippers or waxing machines
