

Greetings!

Over the past decade we have been providing children from our surrounding community with a Christmas they may not otherwise receive, bringing joy where it may not have been seen on Christmas morning. Together, with the entire Accuform team, we did that again at the end of 2017.

Many of these children come from broken or abusive homes, or have parents that simply can't catch that one break. Even more troubling is these children are often homeless. The wish lists we see are truly heartbreaking – it's not the latest iPhone or video game children often want, it's simply food; usually for a sibling or hard-working parent.

As good citizens, we need to do more, *and we think you can help, too.*

Our community here in Brooksville, Florida has over 300 homeless children – and our community is comparatively small. *We know that your community has the same need.*

To help address this need we have created a donation box that can be used to address the need in YOUR community – through the generous support of your employees and customers. *This need doesn't occur only at Christmas, it occurs every day throughout the year.* The donation box we have provided to you can sit in your office or will call area and be used as a **year-round collection point** for non-perishable foods; these food items can then be provided to the charity of YOUR choice. With a convenient (included) dry erase panel, you can change that charity from month-to-month, quarter-by-quarter.

If just one employee takes ownership of this box and drives food donations throughout the year the difference you will have made will be transformative. **Remember, any food donations are for YOUR community. Let's do this together – let's lockout hunger!**

Thank you for your support and we look forward to continuing our growth together throughout the year.

Best wishes,

Wayne Johnson
CEO, Accuform

Dave Johnson
President, Accuform

How To Build Your Safety Tag Shaped Food Donation Box

Follow these steps, and let the food donations begin!

- 1 Unfold top section
- 2 Unfold middle section
- 3 Insert tabs of top section into slots of middle section

- 4 Unfold base section

- 5 Set on top of base

- 6 Adhere clear Dry Erase Panel
(allowing you to Change the Charity of Choice – monthly / quarterly / yearly – if you wish)

- 7 Let your fellow employees know what this box is for, and how it can help those in need in your community.

- 8 When Donation Box is full, remove food and provide to Charity.

- 9 Keep it going! Your good works should not stop now – food is a year-round need.
